Dear Mr. Britt:

I am proud to represent East Carolina University. ECU was founded 100 years ago as a teacher training program in Greenville, North Carolina. It has grown to become the third largest university in North Carolina. I am very proud of all ECU's accomplishments, but the purpose of this letter is to request your help in televising some of our athletic events.

Recently, the Mid-Atlantic Sports Network announced that it will televise nine of the twelve ECU football games this season. In fact, MASN is the only television source for three of the games this year. This is exciting news for the school, its students, its alumni, and indeed the entire Greenville community.

Your company, Time Warner, has not yet agreed to carry MASN. I respectfully request that Time Warner offer MASN so that many more ECU Pirate fans can enjoy the games.

Sincerely,

Marian N. McLawhorn
