St. Louis, MO 63131

Dear Mr. Kent:

As Mayor of the City of Greenville, home of East Carolina University (ECU), I am proud that season tickets for ECU's football games have been sold out this year and that the athletic events, particularly football, create such excitement. Sporting events bring large crowds and lots of activity into our community.

I am also pleased that the Mid-Atlantic Sports Network recently announced that it will televise nine of the twelve ECU football games this season. However, this will be of no benefit to the fans, students, and alumni of ECU who subscribe to cable television through Suddenlink due to the fact that MASN is not offered. I have received concerns from many citizens about being denied access to ECU's sporting events that are being offered by MASN.

I request that consideration be given to offering the Mid-Atlantic Sports Network so that students, alumni and fans will have the opportunity to see ECU sporting events in addition to the remainder of the excellent line-up that MASN offers. Providing that opportunity would mean so much to the citizens of Greenville. If you have any questions, please contact me at 252-329-4419.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert D. Parrott", with a long horizontal flourish extending to the right.

Robert D. Parrott
Mayor
